Sofa Sleeper System
Featuring Air-Over-Coil Technology

The New, Patented Air Dream™ Sofa Sleeper System Offers the Same Plush Dimensions and Luxury Feel as a Premium Bed

Four sizes available:
(Fits standard size sheets)
Twin: 36" x 72"
Full: 52" x 72"
Queen: 60" x 72"
Queen XL: 60" x 75"

Experience comfort you've never dreamed possible in a sofa sleeper. Featuring patented air-over-coil technology, this innovative mattress inflates in less than one minute and operates with an easy-to-use hand pump.

- **Best comfort your money can buy**
Finally, the comfort of a premium mattress is available for sofa sleepers. Our 11" thick, air-over-coil mattress design is so comfortable that your loved ones will forget they are sleeping on a sofa sleeper.
- **Hypoallergenic**
High-quality hypoallergenic materials enable your sensitive guests a good night's sleep.
- **Designed to fit your sofa sleeper**
Forget about futon mattresses! We offer popular sizes that will fit most sofa sleepers perfectly.
- **Easy to open and close**
Easy-to-use hand pump allows you to get the mattress ready in less than one minute! It's a breeze to deflate and fold the mattress, too.

Complete inflation in less than a minute!

With the convenient and easy-to-use hand-held electric pump, simply attach and twist. You'll have premium mattress comfort in no time at all.

New, patented air-over-coil technology provides comforting support, right where you need it.

Compare: Air Dream is **11 inches thick** while a standard sleeper mattress is only **4.5 inches**. Your guests will sleep comfortably without feeling the bar underneath.

Three-Year Limited Warranty on the mattress, air bladder, and air bladder valve. One-year limited warranty on the motor.
